## COLD CONDITION®

The first work glove to deliver warmth, comfort and full dexterity. This glove is windproof and water-repellent to keep hands warm and dry. Ideal for any task where precision is desired in cold conditions.

**Wind-Resistant, Water-Repellent Membrane**  
Keeps hands warm and dry.

**Microfleece Liner**  
For warmth and comfort.

**Duraclad® Reinforcements**  
8X more durable than normal synthetic leather.

**TPR Cuff Puller**  
Get your glove in the proper position faster.

**TPR Knuckle Protection**  
Protects knuckles from impact and abrasion.

**Reflective Stripes**  
Be seen in low light conditions
