## TUFF CHIX®

Ironclad knew the women's work space needed a glove that was tough enough to build houses and would fit a woman's hand, we answered the challenge and introduced the Tuff Chix® glove. The Tuff Chix® is designed and sized for women's hands. Best uses for hand and power tools, equipment operation, landscaping, gardening, and home maintenance.

### Patented Rolltop® Fingertips

Ultimate dexterity and double layer protection.

### Synthetic Leather Reinforcements

Reinforced in critical areas for maximum durability.

### Terry Cloth Sweat Wipe

Conveniently located on the back of the thumb.

### Reinforced Fingernail Guards

Protects against chips and nicks.

### Patented Palm Design

Excellent dexterity and durability.

### ADDITIONAL FEATURES

Padded knuckle protection • Anatomically designed to fit a woman's hand

### BEST USES

Hand and Power Tool Use, Equipment Operation, Landscaping, Gardening, Home Maintenance
